

Lament Daughter Zion

Messages from the Lord to the Love Crucified Community

9/25/22

*Soon the wailing of Jerusalem will be heard throughout all the world; the wailing of destruction, the wailing of death and suffering. Your cities will be patrolled by the Red Army, Satan's army of destruction and pain. You will suffer greatly, My little one, but I will sustain you with My grace. All My little ones who come to Me in trust will know My peace amid great suffering. **The time of sorrow, the lament of Daughter Zion, is needed for the purification of the world.** Never forget that God's goodness is in control, and He will bring forth from this human destruction a time of peace and joy as the world has never known.*

You were created from the beginning of time for these times. You have been chosen by ABBA to live the glory of being crucified with Me, your beloved Spouse. You, as one with God's martyrs of love, past, present, and future, will be God's force of love to usher in this new dawn for humanity. Remain in silence and stillness, gazing at Me during the time of terror that is approaching quickly. Know and believe that the Most Holy Trinity is preparing you and the very few that have responded to My call to be victims of love. You (plural) will shine the light of God brightly during the time of great darkness. Remain in silence and prayer, contemplating My words. I bless you with My kiss of love and gratitude. Go in peace.

Feast of St Therese of the Child Jesus

Mary speaks:

My little one, Daughter Zion, represents all Christians, all the men, and women who have come to believe in My Son, Jesus Christ. Daughter Zion must suffer her unfaithfulness to the Gospel of Jesus Christ. It is her unfaithfulness that has spread the evils of Satan. It is her sin of pride that has tilted the scale. The Church will be made pure, unblemished, as the Bride of My beloved Son. You, My little one, have been entrusted a mission from the Father to fight this battle and propitiate My triumph, which is the triumph of My Son's death and resurrection. Be faithful to living and teaching the Simple Path you have received from heaven. It is the Path to new life, the Path into the glory of God- Father, Son, and Holy Spirit. Do not fear to proclaim the words heaven reveals to you, for they are meant to raise up the Saints of these end times. Remain in the bosom of My Immaculate Heart living the sorrows of My Immaculate Heart and the Sacred Heart of Jesus.

(I asked Mary how to do this because I suffer so little. I am now enjoying a cruise with my husband, and others in love crucified our suffering so much.)

My daughter, soon you will be lamenting with loud supplications and tears. You have been prepared for the difficult time that awaits humanity. For now, enjoy the time of rest and stillness, for it is a gift from the Father for your faithfulness. Believe that you and the few who have listened to heaven speak through you will persevere during the great and terrible persecution. Thank God for all his blessings. I am with you to help and strengthen you.

Propitiate- avert God's anger; the act of appeasing or making well; incurring divine favor.

Feast of St Faustina

*My little one, you must act quickly, for the time of justice is here. Spend all your time with Fr. Jordi finishing My Path. I am giving you the grace you need. My little one, each victim soul has great power to appease the justice of God and propitiate My coming. I will be known, adored, and loved in the Eucharist. The new Jerusalem will be established on earth, and a delightful time will begin to flourish on earth. **Appease the justice of God through your lives as My victims of love. Believe in the power of your prayers with supplications and tears. Speak to the MOC about their power as one with the Mother of God and call them to intense prayer and silence.** Take this message very seriously. Go in peace.*
