OUR LADY OF SILENCE ICON

April 2022

Mother of Silence Icon

Words from Mary regarding the meaning of the icon:

*I am covered in the Blood of my Son; representing that His Blood is my redemption. Now I am clothed in His precious Blood representing my Heart as His living chalice filled with His Blood, His life. Through the power of the Holy Spirit, I am one with Love crucified. As one with Christ crucified with the Holy Spirit, I am one in the life of the Most Holy Trinity. **In this union with God Trinity, I lived on earth in silence and stillness of heart. I lived in continuous praise of God through good times and difficult times.***

The green represents I am the Mother of all on earth as the Mother of God. Green represents new life on Earth. (I thought of spring, all the green leaves appearing in the

*trees, grass, bushes...) Through me, with me, and in me, I give you new life in Christ, my Son. **To live in the refuge of my Immaculate Heart is to live being cleansed with the Blood of Christ, emptied of self, to also become with me, His living chalice of His most precious Blood, one with my Son crucified bringing new life to countless souls in silence and prayer.***

The brilliant gold around me represents the light of God. Through me, with me, and in me, as you live the Simple Path to Union with God Trinity, you become the light of God on earth.

In this icon is contained the entire path to union with God.

The blue semicircle represents heaven. Mary is the gate that brings us into Jesus crucified to heaven. She, as Mother, one with the Holy Spirit, forms us as God's saints, the new Adams and new Eves.

First Saturday, Mary visits the MOC

Receiving the crown of thorns

As the MOC were praying the rosary, Mary came to me interiorly... In her hands, she held a crown of thorns. As she presented me the crown of thorns, I received the understanding that the crown of thorns of Jesus was the same crown of thorns of Mary. I saw the Two Hearts in the center of the crown as ONE.

Then I saw myself standing next to Mary, holding with my two hands the crown of thorns. I saw all the MOC kneeling as they prayed the rosary wearing white veils and white gowns. Mary wanted to place the crown of thorns on each mothers' head, but as we began walking towards the mothers, she hesitated. I asked, "What is wrong Mother?"

SILENCE

Mary explained that each mother needed to receive the crown by giving their “fiat.” I said to Mary that all the mothers had given their fiats to be victim souls, but Mary had me understand that our fiat must be lived in every moment, every trial, every suffering, and every hardship. She will not bless us with each thorn if we do not receive it.

I shared this with all the mothers, and then Mary placed the crown on each mother. I would hand her the crown, and she would place it on each mother's head.

Then I saw blood dripping down all the faces and garments of all the mothers. When I saw them all white in purity, they were beautiful, but now dripping in blood, they resembled the beauty of Jesus. At this very moment, Mary disappeared, and an immense force drew all the mothers clothed in blood into Jesus Crucified on the Cross. I saw the mothers as white lilies all around the bottom of the Cross and were being united through their blood in suffering into Jesus Crucified.

I remembered the words our Lord had spoken to me in the past about the MOC being the “sweet fragrance” that reaches the throne of the Father. Through this visitation from our Mother, I understood clearly how we are the “sweet fragrance” that Abba is so pleased with when we are ONE with the Word of the Cross.

Through this visit and experience, Mary was forming us, the MOC! She taught us the value of each thorn. We could not shed our blood without the thorns penetrating our hearts. The gift of the crown of thorns made us resemble the beauty of Jesus crucified. We were beautiful when I saw the mothers dressed all in white, but it wasn't until we received the thorns and began to bleed that we resembled the beauty of Jesus Christ. It was then that we

were drawn through the power of the Holy Spirit into oneness with Jesus Crucified and our lives became, through the hands of Mary, a gift of sweet fragrance to the Father.

She also taught us that the crown is presented to us as a GIFT. Mary cannot crown us without our “fiat”; therefore, we must live our fiat in every instant of our lives. Mary today was perfecting and purifying our fiat!

Our Lady of Silence Icon

Our Mother invites us to stop, to stop all frivolous activity, to stop talking, to be still and quiet so that we can enter into her Immaculate Heart to be consumed in her Spouse, the Holy Spirit. Her red cloak placed over her head and body symbolizes that she and the Holy Spirit are totally one. It is in the refuge of her Heart, consumed in the Holy Spirit, that we live in the ecstasy of the Trinity. She reveals to us the way into God through her, with her, and in her. First, she is covered, and consumed in the Blood of her Son, the Mother of Sorrows, the Queen of Martyrs. With Mary, we enter the Cross to become one with Love crucified. It is a deep process of healing, deliverance, and purification that requires silence. A silence that draws us into ourselves to come to know who we have become and that we are not as we discover who God is and our true identity in Him. **A silence of profound interior attentiveness.** She also reveals the **silence of the hidden ordinary life and the silence of Jesus' Eucharistic life.**

“For Christians, silence is considered a form of presence; silence isn't emptiness, but rather a fullness, being filled with God's presence.”

Live in my cloister, my Heart, as my maidens

Our Mother of Silence speaks to the MOC as I contemplate the icon of our Lady of Silence:

Through this icon, I desire to draw you into my Heart so that you begin to live in me, immersed with me in the Holy Spirit. This is my desire for the MOC—to enter and live in my cloister, which is my Heart, as my maidens. I live in the presence of our Father, united as one Heart to my Son, and consumed totally in the Holy Spirit, my Spouse. As my maidens of my cloister, you approach the throne of Abba with me and in me; thus, your prayers, being one with me, are blessed abundantly by the Father. He hears the cry of the poor.

*The Holy Spirit infused in your being, as you walked in prayer to mass, the knowledge of the multitude of souls that God's little mustard seed is saving and helping to redeem. **This multitude of souls will grow beyond measure as you enter my cloister and live your lives on earth as one with me.***

WHAT IS SILENCE?

7/21/2010

Silence

*Silence is a virtue. Silence is a prayer. Silence is misunderstood by many. There are cloistered souls who practice silence but are not silent **because interiorly, they are distracted, anxious, and chattering.** Silence is your soul in communion with God. It is in silence that you come to hear the voice of God. It is in silence that you come to see the face of God. It is in silence that you come to feel the touch of God. **Silence is the embrace of love between a soul and God.** Learn to enter the prayer of silence. The Holy Spirit and My Mother will teach you. Silence is not necessarily not talking. I spent My days on earth preaching, teaching, and conversing with My friends and community. Yes, My daughter, I lived in community. (Jesus immediately responded to my thought when He said "community") But I entered the prayer of silence daily with My Father. It is the gift and grace of the Holy Spirit that will bring you to live in this communion of silence with Me amidst exterior noise. On your part, enter daily the prayer of silence in the Church or your home. Ask My Mother to guide you and help you in this practice of silence most beneficial for your soul.*

7/22/11

Silence

*Silence is the realm of God. Silence is a state of being in union with God. Silence is as if ascending a ladder. You must begin on the lower steps to reach the highest. A human soul must begin to enter silence through the **mortification of the tongue, thoughts, and internal noise.** Daily periods of silent prayer help the soul come to know silence. The beginning steps of entering and living in silence are the most difficult and tedious. If a soul perseveres **in mortifying her senses,** the*

SILENCE

Father will bless her with experiences of coming in contact with the Divine. The human heart and flesh will experience Me. These divine visitations will serve to awaken the human heart to a greater desire for Me. These visitations will encourage her weak human nature to continue **climbing the steps of silence, mainly through perseverance in prayer. The journey can be very hard depending on the strength of will of the soul, and at times she might find herself descending the steps**, but her **thirst** for My love and visits will be the fuel that keeps her ascending. My Spirit is the One that is her companion at each step. My Spirit is her help, guide, and inner strength, but as of yet, she does not know Him. His life and light are growing in her being, and with her ascent, through the **abandonment of her will**, the life of the Spirit is strengthening in her. But it is in the fire of My Sacred Heart that you come to know personally the Holy Spirit. It is now that you have ascended into the **silence of the Trinity. In the Holy Spirit, you possess Me and the Father as One. The Spirit now lives in you and you in Him. You are ONE. This Divine dimension is SILENCE.** When you enter this Divine union in silence, the soul must **be careful to nurture it; careless speech and careless activity can bring the soul out of this Divine dimension of silence.** My little one, you have ascended the ladder, and you possess the life of the Trinity in you, **but protect and nurture this life in the interior silence of continuous prayer of love, praise, and thanksgiving.** Teach many what I am teaching you, for the time is short.

Mission of the 12

Mathew 10:1-24

My little one, I have chosen you to bear fruit for the Kingdom of God on earth. The mission is not easy, for the ways of God are never the ways of the world. All who are chosen by God

to fulfill his plan on earth are hated by some, rejected by others, ill-treated, persecuted, for I came upon the earth to set one against another, for the ways of God will never be accepted nor appreciated by those who live for the things of this world. You have been asked by God to bring Him victim souls. A victim soul must fix his eyes on Christ, must desire with all his being to become one with his Master; must be willing to learn from Him and imitate Him. He must be willing to fight against all his disordered desires. This requires certain disciplines for my disciples:

- 1) “take no gold, nor silver, nor copper”- that means **detached from the riches of this world**, trusting that God will provide.
- 2) “no bag for your journey,” that means that My disciples must allow My spirit to **detach them from all disordered attachments.** (my Lord, how do we know what is a disordered attachment?) Anything that **weakens your desire for Me, distracts you from loving Me,** takes your gaze from Me.
- 3) “nor two tunics”- My disciples must **live simply** as I did, poor, **never in excess.**
- 4) “nor sandals”- a **life dedicated to sacrificial love, penance, and renunciation.**
- 5) “nor a staff”- My disciples lean on Me; I become their support; I lead the way.

My disciples wear My yoke-the wood of the Cross, united to Me. I am their All. My disciples are the men and women consumed in love and desire for Me. **They choose to live this way of life for love of Me and the consuming desire to be made perfect- which is to become Love.** Only in this way will My disciples reflect the face and light of God in the world. These are my victim souls that possess the power of God on earth.

SILENCE

SILENCE OF THE SENSES

8/8/09

Mortify yourself in silence

I felt the presence of the Holy Spirit:

Mortify yourself in silence...Allow silence to become your most treasured companion. In this way, it is I who will become your closest companion. You will learn to discern My voice immediately.

Mortify the lips

7/17/12

Remain and live in the embrace of the silence of the Holy Spirit

*I live in you. I have come to remain in you as My living tabernacle. In this way, I am not alone. You can feel Me, see Me, touch Me, and I can hear your words of love and tenderness towards Me, your God and Spouse. I can feel your touch and receive your kiss of love and purity. I desire to remain with you as one with you in this embrace of love. For your part, **protect this union** through the **purity of your lips**. Remain and live in the embrace of the silence of the Holy Spirit. My little one, love Me and **be attentive to Me**.*

June 2016

My home is the domestic Church

I saw the gaze of my Jesus interiorly. How can I describe this gaze? It is impossible, but

this is my attempt: In His eyes, I see through His tears an intense pain, but a completely pure pain beyond anything in this world. **This pain IS the love of Christ.**

From last night's teaching on 1 Peter and Mark 11, the Lord also shows me that my home is a temple, the domestic Church. I, too, enter my home daily and receive the sin,

oppression, and corruption in my family. I must continue, like Jesus, suffering in silence and prayer with Jesus in His agony of love. This is a unique and intimate union with my

Beloved. This work, my interior martyrdom, is only meant to be lived between Jesus and me. I must learn to live this intimacy with Him, **resisting the temptation to share with others**. As the Spirit moves me, I must also wait for the right time to confront the darkness. Then I must speak, but always with love, tenderness, and patience. After I speak, as Jesus teaches us in the Gospel, I must retrieve and let go of all control, believing that God's miracle WILL come.

SILENCE

SILENCE OF THE HEART— EMOTIONS

12/28/21

2nd Nail, Feast of Holy Innocents

*At the core of every human person are their feelings and emotions. At the core of every wound, desire, expectations are feelings and emotions. Every sin is brought about by reacting to one's feelings and emotions. The purification of a soul's emotions is the deepest purification of a soul, the purification of the essence of your being. As you choose to no longer react, nor even act, from your feelings and emotions, your **interior gaze is focused on Me, on seeking only God's Will.** It requires a profound **interior attentiveness to the deepest stirrings within your being.** This deep interior contemplation can only be lived by souls who have entered a life of silence and prayer. You now begin to know yourself in God. You come to **understand that nothing good can come from you but only from God.***

(My Lord, how do you die to all your feelings and emotions, they are part of all men?)

*Your feelings and emotions do not die, but your will discerns them according to God's Will and for His glory. You choose, for love of Me, to allow the Spirit to align your feelings and emotions to please Me in all things and to aid in the salvation of countless souls. You are no longer driven by your feelings and emotions. You **choose to deny yourself solely to please Me in all things.***

1/20/22

2nd Nail- emotions

*The **purification of the human heart can only be accomplished through divine grace** obtained through My death and resurrection. It requires a soul to allow My grace to unveil her many patterns of sin clothed in false piety and goodness. The stripping away of all darkness, which is anything that is not pure love, is a long and difficult process for the human soul. It requires a continuous Fiat from the soul, "Let it be done unto me according to your will."*

The purification of your emotions is the final level of purification in the fire of My Sacred Heart. You allow My Spirit to possess your human emotions so that they serve to please Me according to My desires.

(What emotions in my heart are not integrated into you to serve your desires?)

The emotions you reacted from to criticize....

It is My desire that you live your feelings (emotions) of solitude, boredom at times, in Me, in silence, as a continuous prayer to our Father for your family and My Church.

*Remember, your **emotions** are not cut out (meaning the circumcision of the heart as in the 1st nail of crucifixion) like your desires, expectations, and attachments. They are **integrated into Me so that through your denial of self, that is, reacting from them, they are lived solely to please Me, your beloved Spouse.** This is when you live to great*

SILENCE

*perfection My words, “**My followers deny themselves, pick up their cross, and follow Me.**” **Your emotions serve only to suffer with Me and to console Me.** Our union is now consummated in My Cross. We have become one. The soul lives abandoned in Me and solely to please Me. You now live in the ecstasy of Divine Love, and you become a total gift of self to Me. **This level of purification requires a constant state of silence and stillness in Me as one in the Immaculate Heart of Mary with the Holy Spirit.***

7/27/22

Love

Love, I Am. I am begotten, not created; I am one with ABBA Father. We, as One, are pure, undefiled Love. Love is always fecund; therefore, the Holy Spirit is conceived. All of creation was created from this Trinitarian Love. Each human being was created by God in His image and likeness, conceived in the Heart of God to be consumed in Love (God) and to give all glory to God through this same Love. But sin entered each human being through original sin, and I, God's Begotten Son, came to restore each person. I came to reveal God (Love) and to receive man's sin upon Myself so that man again could come to know God and choose to love Him and serve Him through a life of virtue, God's image and likeness.

I am now purifying your emotions of love by elevating them into Me, your Beloved Spouse. Your human emotions of love will be transformed in Love (God) so that you can love Him as He has loved you. This is the deepest transformation a soul can reach on earth, for it constitutes the soul's redemption.

SILENCE OF THE UNION OF SORROWS WITH GOD

Silence allows us to get in touch with our sorrows so that we can enter them and unite them with the sorrows of Jesus. Then our sufferings are no longer obstacles in our path to God but actually become the path to union with Him.

When Mary embraced her Son as in the **Pieta**, she embraced and received the brokenness of all of humanity. When we join her in this embrace of her Son, we, too, receive in our hearts the wounds of many souls, through Jesus, with Him, and in Him. In this way, we live the Holy Sacrifice of the Mass in our ordinary lives. (SPTUWG, p.284)

8/8/11

Silence allows you to embrace fully the sorrow of your heart

Silence allows you to embrace fully the sorrow of your heart. Silence allows you to enter fully the sorrow I am permitting in your heart. As you embrace this pain and suffering, you are embracing Me. You are embracing My pain and suffering and thus entering My Heart, for My Heart is all pain and love. This is My Mercy. To come to know the love of your Beloved is to come to experience My sorrow. This is why My Mother is the Queen of Sorrows, for it is she who lived most perfectly consumed in My Heart. My little

SILENCE

one, this union of sorrows, must move your heart to love all by suffering with silence, peace, and abandonment for all your brothers and sisters, My sons and daughters.

Exteriorly smile and tend to the duties of your vocation with detail and love but interiorly, through the arms of silence, live embracing your sorrows. In this way, you are embracing My crucified Body and soothing My wounds. This is the life of love. This is the life of a Mother of the Cross, for it is the life of My Mother. The Holy Spirit will help you, consecrate yourself to Him this morning. Go in peace, My daughter; I live in you as you live in Me.

7/9/16

My vocation

I have entered a greater fullness of my vocation as a MOC – it is to accompany my Beloved Spouse in His sorrows of Heart for souls. This is my call to perfect love – to remain immersed in the pains of the Sacred and Immaculate Hearts. Hosea 11 says, “My heart is overwhelmed, my pity is stirred.” The heart of my God is overwhelmed with sorrows, for His Bride has defiled herself and turned away from her God. Jesus says to me, “The Lord of heaven and earth cries tears.”

Love moves me to remain with Him, gazing into His eyes filled with tears. These past two weeks, I have lived in a union of sorrows with my Jesus, a union that can only be lived in the silence of the Holy Spirit with Mary. **A bond of love so strong that it doesn't permit the sharing of this experience with others, for then the bond is somewhat weakened.** I feel more and more like the life of a cloistered. I have found my vocation! My life has truly become the white towel Mary used to soak up the Blood of her Spouse, Son. I, too, seem to receive the sins, wounds, brokenness, and oppressions of souls all around me. They bring me into this profound intimacy of suffering my Lord's sorrows with Him. At

times, I question my vocation—Is this truly God's will for me to feel constant sorrow in my heart? Exteriorly, I seem to function well in my state of life, with a smile on my face, even though, at times, the pain is so intense that it becomes difficult. Am I deceiving myself? Yet, I don't think so; I feel I have finally entered the life of a victim of love. Love moves me to remain with my Beloved, to accompany Him in His agony of love.

VIOLENCE OF SORROWS

I feel called to greater stillness of heart, recollection, to live in the cloister of my heart, the temple of my Bridegroom, suffering with Him His sorrows for a humanity that has gone astray. God permits me to enter the violence of sorrows through my own family. Because of my humanity, I need to suffer in the flesh the sorrows of the Two Hearts; therefore, I receive the intense piercing through the condition of the hearts closest to me. Silence is of the essence to allow the piercings to enter the depth of my heart, which is where my Lord dwells. These violent piercings thrust my heart INTO the Heart of my Lord, and it is in the union of sorrows that I live true marital intimacy with my Spouse.

Our vocation is to SUFFER WITH HIM, to REMAIN WITH HIM accompanying Him in His agony. This is our vocation to LOVE! Interiorly we must live more and more sowing in tears as our hearts receive the thorns, but exteriorly revealing the smile of a beautiful blossom.

10/12/17

Isaiah 53 “Man of Sorrows”

Interiorly I have been contemplating Jesus' Eucharistic face. I see Him, as in the scene of *The Passion of the Christ* when Jesus is sitting alone crowned with thorns after having been mocked by the soldiers. I seem to enter His silence. In His silence, I can touch His

SILENCE

sorrow and pain. His gaze draws me into His SILENT CRY for me and all souls.

Jesus placed in my heart to ponder Isaiah 53. I ponder my Beloved—The Man of Sorrows, “despised and rejected.” He voluntarily receives God’s Will to be “bruised for our transgressions,”

“grieved,” He accepts the Will of the Father for love, as one with Love. God promises that He will see the “fruit of the travail of his soul.”

Our Lord, God’s anointed Son, redeemed me as the Man of Sorrows through His pain and grief. He remains on earth in the Eucharist as the Man of Sorrows, fully present in silence.

Only in silence can I encounter the Man of Sorrows. Only in the silence of Eucharistic Adoration can I choose to REMAIN with Him as His spouse—to adore, thank, bless, caress, embrace, console and love Him.

11/20/20

Participation in Divine Love can only be lived in the silence and hiddenness of your heart

*Receive My outpouring of love and joy, my little one, for you have received into your heart the **mystery of God's suffering for humanity. To receive the mystery of My suffering for love is to receive the mystery of who God is. The perfect communion of the Father, Son, and Holy Spirit is love; the mystery of a love that sacrifices all for love; the mystery of a love that suffers all for love. My suffering on earth was silent and hidden - in the stable in Bethlehem, in the hidden journey to Egypt, in the hidden years living in Egypt, in the hidden years in Nazareth, in My hidden suffering for 40 days in the desert, in the hidden suffering of My Heart during My public life, in My hidden sufferings in the***

*Mount of Olives, in My hidden agony in the prison dungeon. The Mystery of the Cross is revealed in My Sacred Heart. The mystery of God's suffering for love can only be found in My Heart; it can only be known in the communion of hearts as revealed in the Two Hearts- the Heart of Mary and Mine. **Participation in the Mystery of Divine Love can only be lived in the silence and hiddenness of your heart, love in sorrow unknown to the world and only known by God. The mystery of My death and Resurrection is reserved for those that journey into the deep of their own hearts to encounter My Heart.***

Fatima

MOC as “white linen”

“I saw Mary and Mary Magdalen approach the pillar where Jesus had been scourged. They knelt down on the ground near the pillar and wiped up the Sacred Blood with the linen which Claudia Procles had sent. John was not with the holy women, who were about 20 in

number.” *The Dolorous Passion*, p.225

The Blood of Christ is His life poured out for every soul. Yet, so many souls do not receive His Blood into their hearts through gratitude and longing of the Eucharist, His Body, Blood, Soul, and Divinity. Therefore, His Blood spills out on the ground; it represents

SILENCE

all the souls who have not received the gift of redemption through Christ, with Christ, and in Christ.

The feminine maternal heart is the receptor, the sensitivity of the heart of God. Therefore, Mary, with the women willing to learn from her, soak up Christ's Blood on the ground--the hardened hearts unwilling and incapable of receiving the Blood of Christ. God gives the woman's heart the receptivity and sensitivity to receive these broken and wounded souls into their feminine hearts as reparation for them and honor and consolation to God.

God the Father will not permit the Blood of His Beloved Son to be trampled. Therefore, Mary unites her maidens for this special task of passionate love.

We become the white linen cloth representing the purity of the pierced Hearts of Jesus and Mary and receive the ungratefulness, rejection, harshness, and arrogance... of souls into our hearts to suffer, intercede for them, and give God all honor and praise due Him. We live as this white cloth as one with our Mother of Sorrows in the silence of remaining in the pain of our sorrows as one with Christ.

In the Gospel story of the rich young man, Jesus suffers, but He doesn't insist nor push. He gazes at the young man with mercy, compassion, and kindness and lets him walk away. This is how I, too, must love my territory of souls.

11/5/22

The union of sorrows is the perfect union of love with God on earth.

My sorrows lived in My human heart reveal the love of God. My sorrows and My love are one. As I purify your emotions in Me, I am

*drawing you into the depth of My Sacred Heart to live as one in My sorrows. **The union of sorrows is the perfect union of love with God on earth.** The sorrows you live are My sorrows for souls. This union of sorrows is where I'm bringing each of you, for it is the perfect union of love and, therefore, the perfect prayer to aid in the redemption of countless souls. Remain in My sorrows as one with Mary, My Mother of Sorrows, to obtain many graces for souls during these decisive times. **Enter the silence of this most perfect union**, which is the fruit of living the second nail of crucifixion with Me. I seal your mind, body, and soul with My kiss of love and gratitude. Go in peace.*

11/11/22

Remain in My sorrows for humanity that no longer seeks Me

*My beloved, it is I, your Beloved, alive in you. It is My gaze of love that I am allowing you to contemplate. It is My love in sorrow pouring into your being, for **I desire for you and all the MOC to become one heart with My Mother of Sorrows.** Remain in My sorrows for a humanity that no longer seeks Me. They seek their self-satisfaction in the pleasures of the flesh. **I desire for the MOC to remain in silence and prayer, contemplating My agony, for My Body, the Church, has begun her passion.** Tell the women to remain gazing at the God who loves them and to desire with all their hearts, united to the Immaculate Heart of Mary, to **accompany Me in the passion of My Body.***

SILENCE

2/14/23

I redeemed the world through My love lived in My sorrows

*The ways of God are not the ways of men. I redeemed the world through My love lived in My sorrows. I chose to **REMAIN in this interior agony, an agony that is both a fire of consuming divine***

love and the groans of excruciating sorrows. This was, and is in the Eucharist, My life for souls— love and pain as one.

*There are very few souls that come to know My Sacred Heart and fewer souls that enter My Sacred Heart as one with Mary to live and remain, in silence and prayer, in My continuous agony for souls. The world is being made new through the few souls who, for love of Me, have **chosen to remain with Me in My hidden life of love for souls.***

It is through God's Simple Path to Union with God that God desires to lead many souls to this perfect state of union with Me for God's glory and the triumph of God Trinity on earth.

Persevere My little one contemplating all that I teach you with perfect faith and hope. I, as one with My victim souls, am making all things new.

Reflection from Genesis 6:5-9

God is “grieved to his heart” (6) because of men's sins. Jesus Christ, the God-Man, is sent by the Father to us on earth. He comes to reveal the love of our Father. He reveals the love and sorrows of God's Heart through His Sacred Heart. God grieves our sins.

“Noah found favor in the eyes of the Lord.”

(8) Noah represented the few men on earth who were “righteous and blameless.” (9) Because of Noah's purity of heart, he “walked with God” (10). He had an intimate relationship with God; he communed with the Lord and listened to His voice and was obedient to His will.

God always uses the few, a remnant, to save humanity. It is the same today. God is grieved in His Heart at man's rebelliousness of Him. Yet, again, like Noah, God will bring forth a new dawn for humanity through the few “righteous and blameless” men and women.

8/1/23

Faith in the power of your sorrows lived with Christ and the Mother of Sorrows

My little one, I have heard the cry of your soul, and I, your Beloved, come to bless and strengthen you. I have received your

sorrows. My little one they are a participation in the sorrows of God, who loves you (pl). Remain immersed in the sorrows of your heart with perfect faith and hope in the God who loves you.

(My beloved, I feel my sorrows have lost faith and hope. Please tell me the condition of my heart. What virtues am I lacking?)

You are lacking faith in the power of your sorrows lived through Me, with Me, and in Me, as one with My Mother of Sorrows.

(Please, my Lord, increase my faith.)

Trust and hold tight without wavering to the promises I have made. Go in peace to live with patient endurance.

SILENCE

SILENCE OF RECEIVING

7/13/23

Silence of Receiving

The **silence of receiving** is how I live the vision I had many years ago (8/14/18) in which I was prostrated over Jesus's Blood, and Mary came between Jesus and me and placed His hand on top of mine. This represented marriage. The Spirit is moving me to **receive** all of the other, the good, and the brokenness, and to now **wait in God**, in His eternal **patience**, with expectant **faith and hope** for Him to act.

I am Christ's spouse of His most precious Blood. I now finally understand—I am called to receive their goodness and brokenness and to suffer in Jesus's agony of love, in Abba's waiting with expectant faith and hope for God to act in each of their lives. This is now my

life lived in the cloister of Mary's Heart, in her Soledad.

The Blood of Christ on the ground represents the souls who have not received His Blood, those who have not repented, and who have discarded God's saving graces. These are the souls I am called to receive as Jesus's spouse. This is how I live my **femininity as a receptor** to its fullness in God, restored in His image and likeness, as one with Mary Co-redemptrix. **As a woman, I become God's "helper" in restoring souls as one with Jesus' sacrifice of love.**

7/17/23

In the Cloister of Mary's Heart

Living cloistered in Mary's Heart is a state of the soul who has entered union with God and no longer belongs to this world. She now lives in Mary's silence in her interior crucifixion with Christ. The gift of the soul's "long-suffering" has purified her of resentments, frustrations, repulsions, disappointments, and anger, and she is left in the union of sorrows with God. This state of union with God's pure sorrows lived with Mary, and in Mary is finally the union of Love.

The soul enters the **SILENCE OF RECEIVING**. She can receive the good, brokenness, sins, and oppressions of others without resentment, anger, frustration, or disappointment. No human desire exists to agree, disagree, react, explain, or justify. The soul solely RECEIVES the other as the other is and feels only pure, undefiled love, God's fire of divine love. The soul now only desires to REMAIN in Christ's agony of love with Him—consumed with the fire of divine Love and in the groans of His excruciating sorrows. There are no more words but only the

SILENCE

SILENCE OF LOVE.

When Jesus's agony began, there were no more words from Jesus and Mary. Jesus entered the SILENCE OF RECEIVING all our brokenness into His Sacred Heart to GIVE us the outpouring of His precious Blood, the Sacrament of the Holy Spirit.

The silence of receiving is lived in order to freely give the sacrifice of our lives through the grief of the martyrdom of our hearts.

In the cloister of Mary's Heart, in her "Soledad," the soul enters the silence of God. **The soul lives in God's grief, generosity, and waiting with expectant faith and hope.** Love is transmitted through the gaze of "tenderness in mercy."

She lives now in the silence of having become Abba's "living white cloth" in Mary and with Mary, soaking up Jesus's Blood discarded by souls. This is perfect love, heaven on earth.

9/12/23

Silence of listening and receiving

I asked Mary what the one thing I need right now that I can work on to help me live as her maiden.

Mary showed me how I can become immune to the sins of my family. I was also aware of my sins as she spoke. She gave me the example of last night when I asked one of my family members to pray the rosary with me, and he said, "No." She let me know that she was asking him through me to pray the rosary. He said "no" to the Mother of God. Mary received that piercing because the Heart of God received the sorrow of that "no."

I understood how I have become used to these attitudes in my family to the point where I can be unfazed by them as I go along with my life.

Mary said, **"You need to live the silence of receiving. This requires great attentiveness to each moment."**

This **silence is a continuous listening and receiving** united to the Heart of God as one with Mary. Nothing passes unnoticed, unperceived, nor unaffected in God.

Therefore, that simple "No" response to pray the rosary must pierce my heart with sorrow in Mary. Hidden in her cloister, I repair and intercede for my family, the Church, and the world before the throne of Abba.

SILENCE OF THE CLOISTER

9/20/07

Believe, Hidden Life – silence, prayer, sacrifice

Believe in Me. Believe in the power and love of the Holy Spirit. My Apostles were only twelve, yet they reached the ends of the earth. Mary lived a hidden life of continuous prayer, sacrifice, and the immense suffering of being separated from Me. This hidden life is what empowered the Apostles and aided the beginning Church. Your small group will also

SILENCE

reach far. Your most important mission is to live like My Mother, in deep silence and hiddenness, praying and sacrificing constantly.

2/28/22

Enter this Lent into the cloister of your hearts
My Sacred Heart desires companionship. Enter this Lent into the cloister of your hearts where I dwell. In silence and stillness, remain with Me, praying for the conversion of the world and the salvation of countless souls. I desire silence and continuous prayers, for your prayers united to My sacrifice of love have great power before the throne of ABBA. This is my desire for each of you this Lent.

2/5/23

Destruction, Remain in the desolation of the solitude

The time is at hand for the great destruction to fall upon the world.

(Is the great destruction the purge of fire Mary spoke to me about?)

The great destruction is from Satan and the purge of fire is from God. The purge of fire will reveal God's power, majesty, and holy wrath. It is meant as God's justice to turn the hearts of God's people back to Him. God will permit the great destruction though as a means for people to humbly come before Him to seek His help, and He, in His infinite goodness and faithfulness, because of My obedience unto the Cross, and My Mother's suffering of solitude, will bless the cry of the poor.

This time, My daughter, that is about to befall humanity will be a great test for My followers. I lament with Mary because few are prepared to endure this great trial, yet, with My few faithful victim souls God's great triumph will be established on earth.

My little one, finish My Path as I reveal it to you.

(How do I finish it, my Lord?)

Remain in the desolation of the solitude I am blessing you with. Remain in My sorrows, forgetting yourself so that your purification can be completed for God's glory. It is in and through this desolation that you will receive the power of the Holy Spirit to complete My Path.

(My Lord, do we prepare with food, etc.. for these difficult times?)

*You can only be prepared by your attentiveness to My voice and the promptings of My Spirit. Therefore, **enter now and remain in the cloister of Mary's Immaculate Heart, and you will be guided by grace.** Go in peace to live with perfect faith and joy as My spouse of My most precious Blood.*

2/26/23

Enter the cloister of My Mother's Heart to mourn with her for the world

To remain in the lament of Daughter Zion (which represents Mary) solely for love of God and souls is very difficult for all human beings. Yet, this is My will for the Mothers of

the Cross. Enter, My daughters, into the cloister of My Mother's Heart to mourn with her for the world. This state of lamentation with Mary pleases the Heart of our Father, and He listens to the cry of the poor. Remain in mourning with Mary to obtain the graces

SILENCE

of conversion for sinners. Mortify yourselves this Lent from all distractions, conversations, and thoughts that separate you from My Mother's mourning. Enter and remain in the sorrows of My Mother this Lent to obtain graces for humanity. The King of Kings will bless the prayer of Mary and her maidens. Remain in silence, stillness, recollected, and abandoned to My will.

3/9/23

My solitude was my perfect union of love in Abbas's tears for His people.

Mary:

My role, as willed by the Father, to be the Mother of mankind was lived in and through my solitude (Soledad). After the third nail of crucifixion, when my Heart was fully crucified with my Son and pierced with the lance, I was then ready to love all humanity as one with the love of the Father, Son, and Holy Spirit. As I became totally one with my Son's sacrifice of love, I could embrace into my Maternal Heart the sins and brokenness of all the children of God. I became the Maternal advocate of the Heart of ABBA. Through my Son, with my Son, and fully immersed in the Sacred Heart of my Son, I was able to enter the lament of our Father as Mother for each of you.

My solitude after Jesus's Ascension was my perfect union of love in Abbas's tears for His people. I then received the sin and brokenness of each of the Apostles into my Motherly Heart as one with God and embraced them in the embrace of the Trinity. I continued the life of my Son on earth after His Ascension. I continued living the interior crucifixion as one with Christ, thus living as His living host, one in His Eucharistic life, as grace for the nascent Church.

This, my little one, is where I am now taking each of you (LC)—to be one body, one

blood, one sacrifice, one victim with my Son as one with me. Living in the cloister of my Heart as one with me in the last stage of my life on earth completes the Simple Path to Union with God. The new Adams and the new Eves continue the life of God Trinity, establishing God's Kingdom on earth.

Rejoice, my little one, for the glory of God has then triumphed in each of you that complete this Simple Path given to you from the Heart of God.

Feast of the Assumption

Maidens of the Cloister of the Immaculate Heart

On the evening of the Feast of the Assumption, as I prayed the 5th decade of the rosary, Mary was crowned Queen of Heaven and Earth; I felt her presence and desire to speak.

Mary:

I am God's Queen Mother, for I was chosen from the beginning of time to be the New Eve and bring into the world the New Adam to break the bondage of slavery brought to mankind from the disobedience of Adam and Eve. This is the love of our Father.

*You have come to know the love and goodness of our Father through your humility to listen and obey the voice of my Son. This obedience to Him has purchased for you the knowledge of Abba's love. This knowledge is new life. The knowledge of the Father and His love, through your participation in the sufferings of my Son, has purchased for you the title of **my maiden of the cloister of my Immaculate Heart**. This privilege is given to few women by the Father, but it is being given to you and the MOC following you as God's chosen one. **Enter with the MOC my cloister and choose to remain as one with me, suffering my Son's interior martyrdom, which continues in His Eucharistic presence on earth.***

SILENCE

This cloister is only reserved for the women and men who choose to remain in the sorrows of my Son's Sacred Heart because humanity continues to not give glory to ABBA by loving Him with all their hearts, souls, and might. Jesus came to earth to reveal the goodness and love of our Father through His life, death, and resurrection. Yet, humanity continues to reject this gift purchased for all through the pouring out of His precious Blood and leaving you the gift of the Holy Spirit through all the sacraments of the Church.

My maidens are called to remain in the sorrows of God, through His Son, as one with me, to repair such a great offense to our good God. These maidens of reparation and consolation lived in my solitude will be blessed by God with the crown of great glory reserved in heaven for the few on earth who respond to this invitation.

Bring this invitation to all the MOC, but before they each give their Fiat, they must promise to live silence, the prayer of remaining in God's sorrows, simplicity, poverty of spirit, and perfect obedience to me as your Queen Mother and Mother of God. Go in peace, and know that I await each of you in heaven for the glory of God.

9/11/23

Live in my cloister, my Heart, as my maidens Our Mother of Silence speaks to the MOC as I contemplate the icon of our Lady of Silence: *Through this icon, I desire to draw you into my Heart so that you begin to live in me, immersed with me in the Holy Spirit. **This is my desire for the MOC—to enter and live in my cloister, which is my Heart, as my maidens.** I live in the presence of our Father; united as one Heart to my Son, and consumed totally in the Holy Spirit, my Spouse. **As my maidens of my cloister, you approach the throne of Abba with me and in me; thus,***

your prayers, being one with me, are blessed abundantly by the Father. He hears the cry of the poor.

*The Holy Spirit infused in your being, as you walked in prayer to mass, the knowledge of the multitude of souls that God's little mustard seed is saving and helping to redeem. **This multitude of souls will grow beyond measure as you enter my cloister and live your lives on earth as one with me.***

SILENCE OF UNITY

11/23/11

What is true unity?

What is true unity? First and foremost, unity is union with the God-Man. I, the Second Person of the Trinity, became man so that you could come to know personally your good God. I became man to set you free from the bondage of your sins so that you can see with the eyes of My angels the glory of God before you. But I was not incarnated in the womb of Mary only to save you and set you free but to become ONE with you. The Father and I are ONE; the Father in Me and I in Him with the Holy Spirit (JN 17). The union of the Trinity is pure love. I came upon the earth to draw you

SILENCE

into union with the Most Holy Trinity through the Cross. No longer two but ONE (Ephesians 2:15-16). It is in this union that love exists. Only from this union of love with your Triune God can unity exist in My Body, The Church. It is through My life in the Eucharist that I become One with you, but it is only through your participation in My Eucharistic life that you become One in Me. This participation can only take place by entering the Cross of new life, My crucified love.

3/18/12

Unity in the Trinity

*I desire to draw you into true unity, the unity of the love of the Most Holy Trinity. **The union of sorrows will bring you into the union of Love.** Why do you hesitate to speak My words, which are truth and life? My words are guiding you into the fire of Love, which is the Holy Spirit so that we are no longer two but ONE in the Father. Be My voice, My little one, with the simplicity and humility of your heart...*

The gaze of the Father is upon you. Be love. Live solely for Love forgetting yourself.

(My Lord, how do I live solely for Love forgetting myself?)

*Live to please Me. **To live in the unity of the Trinity is to live gazing at the Father, through the Son, to please Him in all things...** Share My words with all and teach My teachings to many for the time of judgment is upon you...*

12/3/12

Fusion of hearts is the kiss of union

*The fusion of hearts takes place through the sword of suffering as ONE. It is through the union in suffering that you die more and more to self until it is no longer you who lives but I Who lives in you... **The fusion of hearts is the kiss of union, the embrace of the Holy Spirit, the embrace of Love.***

3/24/13

Palm Sunday

Hour of our persecution has come

*My little one, I need you to get up and come with Me, for the hour of our persecution has come. We are one; I am with you, and the gaze of the Father is always upon you. Be at peace. You will have to suffer the betrayal of many close to you.... **it is in the suffering of betrayal that you will live the kiss of union.** The world cannot perceive the union between a soul and its God... Those that do perceive it, but haven't attained it, can be swept away in the **sin of jealousy.***

1/24/19

The Solitude of My Mother is the supreme union of love

*The **Solitude of My Mother is the supreme union of love.** That is why, through the power of the Holy Spirit, she is the Mother of mankind, for we are one. **La Soledad is the deepest and most perfect union with the sorrows of My Sacred Heart.** In this union of pain and love comes forth new life.*

8/10/21

To live in the silence of Mary

I am called to live in the silence of Mary. It's a silence of living in union with God. A silence that is continuous prayer. A silence that is entirely focused, attentive to each moment, person, and situation. A silence of contemplation and interior work. The work of living as Christ's white linen soaking up His precious Blood discarded by souls. Useless speech or activity can move me out of this silence of union.

12/8/21

Feast of the Immaculate Conception

Message from the Immaculate to LC

My little ones, I, your Mother, am receiving your consecration as my beloved children. It is I who desired for you to make this

SILENCE

consecration through the gift of Saint Maximilian's writings on the **mystery of who I am, created by God for His Son, as one in perfect union with the Holy Spirit**. You have received the gift of entering into the mystery of what God has done with me, a humble handmaid of the Lord so that each of you can receive the gift of greater knowledge of God's desire for all His creatures from the beginning of time-consummation into the life of the Most Holy Trinity to participate in the ecstasy of Divine Love. Because you have given me your fiats to walk with me the narrow path of the Cross into your hearts to die of self and rise through Christ crucified, your hearts have become ready to receive the gift of my Immaculate Conception. God in His immense goodness, is now preparing you to live consumed in my Immaculate Heart through the fire of the Holy Spirit as one in Christ crucified into the embrace of the Father to know and taste, to different degrees according to each soul, the ecstasy of Divine Life lived on earth. **This grace must be nurtured through continuous prayer and silence** and protected from choosing to fall into Satan's temptations. That is why **continuous prayer and silence are of the essence to live in God's Kingdom on earth**. **This grace of knowing and living in the life of the Trinity will be the source for your endurance during the great persecution** that must come. Receive this gift from God through my Immaculate Heart in the cenacle tonight before the prayer of the rosary so that as God's beloved ones, you can pray in thanksgiving and praise as one heart with me to the Father, Son, and Holy Spirit. I bless you with the peace of God and my maternal love.

12/15/21

Living in the Trinity on earth

The Father has always been; He is the Great I Am. My little one, His greatness, and power have been misunderstood and feared by

people in every generation, yet He is pure love. He begets Me, His Son, with all tenderness and longing. He begets Me from Himself. That is why to know Me is to know My Father. From our union and communion, the Holy Spirit is immaculately conceived. Think of the Father as a living ocean, and He flows into the Son, and this current of power is pure Love, which flows into the Holy Spirit, which flows back to the Father. This exchange of love is so powerful, a continuous Life from and back to the Father, that this triangle of Life is but One Life. We are three distinct Persons that share the same Life. That is why to know Me is to know the Father, for we are One. I became flesh, the God-Man, so that you could come to know and see the Father. This coming to know personally the Great I Am through Me is the greatest gift of redemption.

The Father also desired for his humanity to come to know and see the third Person of the Trinity, and He created the Mother of God from her conception full of grace. She is full of the Holy Spirit, consumed totally by Him so that it is the Holy Spirit that you see and know in and through Mary. Even though she is created not divine, for humans, she becomes the most perfect image of the Holy Spirit, which also reveals to humanity the beauty and goodness of the Father and Son. To know and love Mary is to know and love the Holy Spirit, which is to know and love the Father. Mary becomes the created being that is the gate to enter God through Me, her beloved Son.

My little one, these mysteries of the Most Holy Trinity can only be received by the souls who, out of humble love of Me, follow My Mother to the foot of My Cross to enter My crucified Heart. No one on earth can journey the narrow path of My passion without the help and guidance of My Mother, for it is the Holy Spirit as one with her that is the path back to

SILENCE

the Father through the Son. Therefore, the Mystery of the Cross reveals to humanity the Mystery of the Trinity.

(I asked Jesus about myself because I do not feel I am living life in the Trinity.)
*My little one, you must be careful because you are relying on human feelings to determine your life in the Trinity. I, on the Cross, felt abandoned by the Father; yet I knew I wasn't abandoned. **Your level of union with the Trinity on earth is determined by the abandonment of your will to the Will of God, not by feelings.** We are one, My beloved spouse, yet most of the time, I do not allow you to feel my presence. This I do to perfect the abandonment of your human will to Mine. **Perfect peace amid suffering is the sign of a soul living in the life of the Trinity through her union with My sacrifice of love by the grace of the Holy Spirit.***

Total Gift – 3rd Nail of Crucifixion

We now continue to suffer with Christ united to Mary, IN ABBA. We begin to see all people through the gaze of ABBA— A Father who laments for each of His sons and daughters, crying out, “Why have you forsaken me? You are My beloved. I love you.” The agony of our God who has given us EVERYTHING in and through His Son, Jesus. A TOTAL GIFT OF HIMSELF to us, His people.

To REMAIN in Mary’s solitude, I REMAIN in Abba’s WAITING. The purification of our human emotion of love is being completed. (see 7/27/22)

COMMUNION was lost in the Garden after Adam and Eve’s original sin. The moment they hid from God's goodness and covered their sin with the leaves of justification and blaming, they separated themselves from

Abbas’s love. They did not REPENT but remained in their obstinacy. Pride entered humanity, and this darkness became the barrier between God and us.

Imagine if Adam and Eve had run to ABBA naked in their sin, prostrated themselves before their good Father, and cried out, “Father, we have sinned against you in our disobedience. We are so sorry. Please have mercy on our misery.”

Repentance is what begins to destroy the barrier between God and us. As we come before ABBA in Christ crucified, exposing ourselves entirely until we are naked before Him in our total misery, crying out, “My God have mercy, for I am a sinner,” communion is restored. As the prodigal son, we enter the embrace of our Father.

Perfect Love is expressed in Romans 5:6,8: “Christ died for the ungodly.” “But God shows his love for us in that while we were yet sinners Christ died for us.”

In the third nail of crucifixion, we have allowed ourselves, through the Holy Spirit, to be crucified in Christ and advance in the death of self. Our egos have begun to die, our lives have been replaced with the truth of Abbas’s love, our self-love with our desires, expectations, and attachments is dying, and our emotions serve God's purpose. Now we love as one with God our enemies, those that hurt us, by choosing to remain in the cloister of Mary's Heart and in the Inner Chamber of our Spouse’s Sacred Heart to live in the groans of Jesus’ excruciating sorrows and in Abba's tears of consuming love for every soul, the good and the bad, those that love us and those that don't, solely for the love of God.

The Silence of Unity- 3rd nail

*I am consuming you, My beloved spouse. The two have become one, no longer two. Thank the Holy Spirit and My Mother, for this is the work of the Spirit, to unite you to the communion of the Most Holy Trinity, through union with Me, Love crucified. Now you are living the grace of the third nail of crucifixion—the interior martyrdom with Mary solely for Love. **If you remain in the silence of this martyrdom of Love, you will experience the mystical incarnation—the indwelling of the Most Holy Trinity in the temple of your feminine heart, thus participating as God's temple, in the restoration of His Bride, the Church. The great work of redemption is accomplished in the silence of unity with God.** Persevere in silence, My little one.*

SILENCE OF WARRIOR WOMEN

*...Your (MOC) hearts purified, emptied, and formed as My victims of pure love, one with My Mother of Sorrows, is the power of God to cast into hell the principalities of death. **Give yourselves to prayer and silence as My***

*warriors preparing and saving souls, for the moment of judgment is upon the world. **Do not waste time with any frivolity, for the decisive battle has begun. Pray, pray, pray, pray unceasingly,** for your prayers, as one with My Mother's, have great power before the throne of our Father. He hears the cry of the poor. 6/6/20*

12/27/20

A new dawn for My Church and world

*My little one, **My passion has begun again for My Body, the Church. It is a time of intense silence and suffering.** My Body, too, will be stripped of all her earthly glory. She, too, will be made naked before the world. Her members living the passion as one with Me, her Head, will obtain My Body's sanctification. **Her glory will shine like the radiance of the sun through the purity of its few victims of love, and these few, united as one in My sacrifice of love, will usher in the new dawn for My Church and world.** Know that I have found favor with you and my little mustard seed of Love Crucified. Persevere in My Love crucified.*

As the Lord was placing these words in my heart, I felt that the Church had entered a new time, and ministry would change as we've known it. Just as Christ's ministry on earth changed the moment His Passion began, so will the Church's. We each are now being called with Christ and Mary to enter "intense silence" so that we can be focused and suffer all through Christ, with Christ, and in Christ. We must live now the **Silence of The Passion.**

The time of destruction that must come for the salvation of the world

Words from Jesus given to the LC Community during our cenacle rosary:

SILENCE

My little one, the world is about to be shaken to its core. My people will be wailing and in distress. Will you, My community, My people, remain faithful to Me, or will you abandon Me too? I have formed you to be My warriors for these times. I have formed you in My Sacred Heart to trust Me when the multitudes enter distress. Keep your eyes on Me as Mary did. Be ready to suffer as one with Me with courage and in peace because you have come to know Me and believe in the triumph of My Cross. Be ready for the time of destruction that must come for the salvation of the world. Receive My words as your source of strength and consolation during this most difficult time. I will remain faithful to each of you. Trust in all that I have spoken to you. Remain in My peace through silence and prayer. Continue praying intensely for the salvation of countless souls. Your prayers are saving souls. Thank you for responding to My call. Your reward will be great in heaven.

11/11/22

for I desire for you and all the MOC to become one heart with My Mother of Sorrows. Remain in My sorrows for a humanity that no longer seeks Me. They seek their self-satisfaction in the pleasures of the flesh. I desire for the MOC to remain in silence and prayer, contemplating My agony, for My Body, the Church, has begun her passion. Tell the women to remain gazing at the God who loves them and to desire with all their hearts, united to the Immaculate Heart of Mary, to accompany Me in the passion of My Body.

SILENCE NEEDED TO BE PREPARED FOR THE TIME OF JUSTICE

3/1/22

The time of justice has begun for the world
*Enter my agony for souls, My little one. The time of justice has begun for the world. You are hearing the wailing and grinding of teeth of My little ones (I felt the people of Ukraine). This suffering will spread through the world; not one country will be spared, but **know I am with you (plural) in this great tribulation.** The darkness of Satan will be known and seen; hell will become your reality, then, My Light will pierce this darkness also to be seen by all souls. **Remain in silence and prayer, My little one, so that the thief does not catch you unprepared.** Peter, James, and John did not remain with Me in prayer and, therefore, were caught unprepared when the persecution came upon them. I promise you, My little one, **if you remain attentive in prayer, obedient to My voice** guiding you (and the few little souls also listening to My voice), **you will remain faithful when the tribulation knocks at your door.** Your faith and hope will be anchored in My love crucified, and you(pl.) will shine My*

SILENCE

light of love as My living stars in this time of consuming darkness. I have sent My Mother of Silence, Peace, and Joy to help guide My little mustard seed. I am with you(pl) always.

SILENCE IS NEEDED TO PREPARE THE WORLD FOR THE NEW PENTECOST— THE REIGN OF THE IMMACULATE HEART OF MARY & THE EUCHARISTIC REIGN OF JESUS

11/9/21

Satan will attempt to destroy you and My community of Love Crucified

*My little one, be attentive to the signs of the times. You are in great danger. Satan will attempt to destroy you and My community of Love Crucified. You **must remain in deep silence so that I can guide you in these perilous times.** Unite My community at the foot of the Cross with Mary. Only the Holy Spirit can set you on fire as a burning oblation of sweet incense to the Father. This burnt and holy sacrifice will be received and blessed by the Father to aid the world during these dark times. You must not travel for now outside of the country, for it is **a time of***

seclusion in prayer and silence with Mary preparing the world for the new Pentecost.

11/21/21

*Many have received the vaccine to avoid suffering, others because they are clinging to their many attachments, others out of ignorance, but the majority because they did not seriously seek My Will and allowed themselves to be swept away by the many forces of Satan's temptations. Fear in the hearts of the multitude has come to light. This **fear** reveals the lack of love for Me in the hearts of the vast majority of souls, a **love** rooted in **humility, intimacy, purity, abandonment, trust, and selflessness;** therefore, the thief came unexpectedly and was able to enter their homes (hearts) and darken their souls to not recognize the signs of the times. Few, My little one, will persevere during this time of total darkness, which God is permitting as his justice. **Remain in silence and prayer**, and you, along with my faithful remnant, **will participate with Me in establishing My Kingdom on earth.** Do not cave in, under any circumstance, to Satan's deception.*

9/25/22

God's martyrs of love will usher in this new dawn for humanity.

*Soon the wailing of Jerusalem will be heard throughout all the world; the wailing of destruction, the wailing of death and suffering. Your cities will be patrolled by the Red Army, Satan's army of destruction and pain. **You will suffer greatly**, My little one, but **I will sustain you** with My grace. All My little ones who **come to Me in trust will know My peace amid great suffering.** The time of sorrow, the lament of Daughter Zion, is needed for the purification of the world. **Never forget that God's goodness is in control, and He will bring forth from this***
