

8th Reflection: Beware of the many temptations from Satan as you leave this holy sanctuary (OLG)

You Become My living host as I am Your Living Host
Sunday, 9/14/25

Mary:

My little one, it is your Mother, your Queen Mother. My soul proclaims with you the greatness of our God, and our souls rejoice in God our Savior. You, God's chosen one, for your simplicity and humility, are receiving an abundance of heavenly graces. Your heart, my Son's living Tabernacle, is receiving the treasures of the Sacred Heart of my Son. My maiden of the cloister of my Immaculate Heart, along with all the MOC, are a delight to the Most Holy Trinity, for you each have listened to and obeyed the voice of God, guiding His remnant army to conquer the forces of Satan as one with your Queen Mother. Now, as you leave this holy sanctuary (OLG), remain as much as your vocation permits, gazing at my Son's Eucharistic face as one with me. Beware of the many temptations from Satan to distract you with frivolity and idle speech. You are now learning to live in the Sacred Heart of my Son, alive in the Eucharist, participating in collecting His tears and remaining in His groans. These souls united with you in my cloister, living continuously in my Son's Eucharistic life, are being blessed abundantly by our good Father. Thank Him continuously with the intimacy of your maternal heart. May God be glorified by all the MOC as one with me. Persevere! 7/27/25

Jesus:

Look into My Heart and see how alone I am. I permit the temptations so that I can be consoled and find rest in your love.

Jesus has very few souls that love Him. When He permits me to be tempted and I resist, choosing to believe with all my heart what He has said to me, and I prefer to praise Him continuously, He is consoled by my love in faith and hope.
