Messages for Reflection 1

Prayer for handmaids- Akita

"Pray in reparation for the sins of men. Each person in this community is my irreplaceable daughter. Do you say well the prayer of the Handmaids of the Eucharist? Then, let us pray it together."

"Most Sacred Heart of Jesus, truly present in the Holy Eucharist, I consecrate my body and soul to be entirely one with Your Heart, being sacrificed at every instant on all the altars of the world and giving praise to the Father pleading for the coming of His Kingdom."

"Please receive this humble offering of myself. Use me as You will for the glory of the Father and the salvation of souls."

"Most holy Mother of God, never let me be separated from Your Divine Son. Please defend and protect me as Your Special Child. Amen."

Queen Esther

Queen Esther is (represents) My Mother, and she approached the throne of the King with her maidens. The Mothers of the Cross are My Mother's maidens. You have been chosen to gather these maidens for My Mother. Queen Esther and her maidens prayed and sacrificed in the hiddenness of the palace. Their life of prayer and sacrifice was hidden from the world but seen by God. Their prayers and sacrifices brought about the salvation of the Jewish people. The prayers, tears, supplications, sacrifices, and sufferings of the Mothers of the Cross, united to My Mother, will bring about the salvation of My people.

Your (MOC) lives will be a holy cloth that soaks up the Precious Blood of Jesus.

Mary:

The mothers of the cross are my maidens that united to me, will renew the priesthood. Your "fiat" to be victim souls will be perfected in my "Fiat." Your lives will be a holy cloth that soaks up the Precious Blood of Jesus. In this way, you will become pure living chalices filled with the Blood of Jesus. You will live your hidden lives like me in prayer, sacrifice, and suffering. Your hidden lives lived in your domestic monasteries will be a source of grace for the sanctification of priests.

You will imitate to great perfection my virtues of humility, simplicity, gentleness, silence, and charity. You will be women of an intense prayer life centered in the Eucharist. Your lives will be a continuous prayer offering as you offer up your daily sacrifices and duties on the altar of your homes. As you love in suffering, imitating Jesus and me, you will be our joy and consolation.

Mary's Maidens

My daughter, My Mother, carried My Crucified Body in her arms, and then she placed Me in the tomb, but she continued to carry My Crucified Body in her Heart. She continued to 'live in Love,'

in My crucified love. She is the first that continued to suffer with Me (Romans 8:17). I continued My love in suffering on earth through My Mother (Col. 1:24). She bore mystically all My wounds and radiated My light in the darkness of the world (2 Cor 4:6). My daughter, since My Mother 'lives in Love' she radiates My light and possesses the power of God. Each of My wounds radiates healing light and mercy. She was the first to live on earth as My living, pure, holy chalice of My Precious Blood. Her hidden life on earth, after My death, God used as a watering can pouring My graces upon the early Church and world and continues through the ages till today. She is gathering her maidens, as she is always perfectly obedient to the Will of the Father, to live in the hidden force of My crucified love. This hidden force of pure victims of love will set the earth on fire. My daughter, you have been chosen to cooperate in this plan of salvation: BRING ME, VICTIM SOULS!

Message from our Blessed Mother to MOCs

A statue of our Blessed Mother of the Mystical Rose was releasing the smell of roses. *I come tonight, my daughters, to console you in your suffering but also to receive consolation from you. I desire for you to collect in your pure hands my tears of blood and to unite your tears with mine and raise them to the Father as one with the Blood of my Son. I come to strengthen you; I come to encourage you; I come to thank you, my daughters, for you have responded to my call. Heaven rejoices at seeing the little ones of the Father respond with such courage as each of you have. Your Mother is so proud of you. I come to warn you, for Satan wants to devour God's mustard seed before the seed begins to flourish and blossom. But hold fast, my daughters, for Satan has no power over you or the work of God. Do not allow him to deceive you in this way. Do not allow him to take your eyes away from me and my Son. I come to show you how close I am to you tonight, one with you, my maidens and martyrs of love. Know that all will be fulfilled according to God's perfect plan and will. Be holy as I am holy. Be perfect and pure as I am perfect and pure, and you will see the glory of God revealed before you and the life of the Most Holy Trinity take life within each of you. Pray tonight with all your hearts, supplicate with me before the throne of the Father, and I promise you that all your prayers will be heard and answered.*

Fatima

MOC as "white linen"

"I saw Mary and Mary Magdalen approach the pillar where Jesus had been scourged. They knelt down on the ground near the pillar and wiped up the Sacred Blood with the linen which Claudia Procles had sent. John was not with the holy women, who were about 20 in number." The Dolorous Passion, p.225

The Blood of Christ is His life poured out for every soul. Yet, so many souls do not receive His Blood into their hearts through gratitude and longing for the Eucharist, His Body, Blood, Soul, and Divinity. Therefore, His Blood spills out on the ground; it represents all the souls who have not received the gift of redemption through Christ, with Christ, and in Christ.

The feminine maternal heart is the receptor, the sensitivity of the Heart of God. Therefore, Mary, with the women willing to learn from her, soak up Christ's Blood on the ground—the hardened

hearts unwilling and incapable of receiving the Blood of Christ. God gives the woman's heart the receptivity and sensitivity to receive these broken and wounded souls into their feminine hearts as reparation for them and honor and consolation to God.

God the Father will not permit the Blood of His Beloved Son to be trampled. Therefore, Mary unites her maidens for this special task of passionate love.

We become the white linen cloth representing the purity of the pierced Hearts of Jesus and Mary and receive the ungratefulness, rejection, harshness, and arrogance... of souls into our hearts to suffer, intercede for them, and give God all honor and praise due Him. We live as this white cloth as one with our Mother of Sorrows in the silence of remaining in the pain of our sorrows as one with Christ.

In the Gospel story of the rich young man, Jesus suffers, but He doesn't insist nor push. He gazes at the young man with mercy, compassion, and kindness and lets him walk away. This is how I, too, must love my territory of souls.

Enter the cloister of My Mother's Heart to mourn with her for the world

*To remain in the lament of Daughter Zion (which represents Mary) solely for love of God and souls is very difficult for all human beings. Yet, this is My will for the Mothers of the Cross. Enter, My daughters, into the cloister of My Mother's Heart to mourn with her for the world. This state of lamentation with Mary pleases the Heart of our Father and He listens to the cry of the poor. Remain in mourning with Mary to obtain the graces of conversion for sinners. **Mortify** yourselves this Lent from all **distractions, conversations, and thoughts that separate you from My Mother's mourning. Enter and remain** in the sorrows of My Mother this Lent to obtain graces for humanity. The King of kings will **bless the prayer of Mary and her maidens. Remain in silence, stillness, recollected, and abandoned to My will.***

Feast of the Assumption

Maidens of the Cloister of the Immaculate Heart

On the evening of the Feast of the Assumption, as I prayed the 5th decade of the rosary, Mary was crowned Queen of Heaven and Earth; I felt her presence and desire to speak.

Mary:

I am God's Queen Mother, for I was chosen from the beginning of time to be the New Eve and bring into the world the New Adam to break the bondage of slavery brought to mankind from the disobedience of Adam and Eve. This is the love of our Father.

You have come to know the love and goodness of our Father through your humility to listen and obey the voice of my Son. This obedience to Him has purchased for you the knowledge of Abba's love. This knowledge is new life. The knowledge of the Father and His love, through your participation in the sufferings of my Son, has purchased

*for you the title of **my maiden of the cloister of my Immaculate Heart**. This privilege is given to few women by the Father, but it is being given to you and the MOC following you as God's chosen one. Enter with the MOC my cloister and choose to remain as one with me, suffering my Son's interior martyrdom, which continues in His Eucharistic presence on earth.*

This cloister is only reserved for the women and men who choose to remain in the sorrows of my Son's Sacred Heart because humanity continues to not give glory to ABBA by loving Him with all their hearts, souls, and might. Jesus came to earth to reveal the goodness and love of our Father through His life, death, and resurrection. Yet, humanity continues to reject this gift purchased for all through the pouring out of His precious Blood and leaving you the gift of the Holy Spirit through all the sacraments of the Church.

My maidens are called to remain in the sorrows of God, through His Son, as one with me, to repair such a great offense to our good God. These maidens of reparation and consolation lived in my solitude will be blessed by God with the crown of great glory reserved in heaven for the few on earth who respond to this invitation.

*Bring this invitation to all the MOC, but **before they each give their Fiat, they must promise to live silence, the prayer of remaining in God's sorrows, simplicity, poverty of spirit, and perfect obedience to me** as your Queen Mother and Mother of God. Go in peace and know that I await each of you in heaven for the glory of God.*

Live in my cloister, my Heart, as my maidens

Our Mother of Silence speaks to the MOC as I contemplate the icon of our Lady of Silence: Through this icon, I desire to draw you into my Heart so that you begin to live in me, immersed with me in the Holy Spirit. This is my desire for the MOC—to enter and live in my cloister, which is my Heart, as my maidens. I live in the presence of our Father, united as one Heart to my Son, and consumed totally in the Holy Spirit, my Spouse. As my maidens of my cloister, you approach the throne of Abba with me and in me; thus, your prayers, being one with me, are blessed abundantly by the Father. He hears the cry of the poor.

*The Holy Spirit infused in your being, as you walked in prayer to mass, the knowledge of the multitude of souls that God's little mustard seed is saving and helping to redeem. **This multitude of souls will grow beyond measure as you enter my cloister and live your lives on earth as one with me.***
